Transfer Pathway Guidance

The Bachelor of Science in Criminal Justice, Criminal Justice Concentration at ECPI University requires 121 credits to complete. This Transfer Guide shows how courses from the Associate of Applied Science in Criminal Justice at Virginia Peninsula Community College may apply to ECPI courses based on the current catalogs of both schools. This information is provided as a guide and is for planning purposes only. ECPI University must receive an official transcript directly from Virginia Peninsula Community College before credit is awarded. Courses completed within the past ten years with a grade of 'C' or higher may be eligible for transfer. General education or arts and sciences courses may be accepted without a time limit. Credit is not awarded for developmental or remedial coursework. Each student will receive an official course-by-course evaluation based on their completed coursework and selected ECPI degree program.

Guaranteed Admission Agreement

ECPI University Guarantees Acceptance to Virginia Community College Graduates

Eligibility Requirements:

One of the following -

1. Enrollment in an eligible program of study at VPCC that aligns with ECPI transfer pathways.

2. Completion of an associate degree included in the VPCC Bridge to ECPI University Program.

3. Complete a minimum of 15 transferrable credits earned at VPCC.

Both of the following -

3. Maintain a cumulative GPA requirement of 2.5 on a four-point scale.

4. Submission of a *Letter of Intent* prior to applying to ECPI.

Students should discuss with their Admissions Advisor and submit the Letter of Intent as soon as possible, to take full advantage of the benefits of this partnership.

Accredited by the Southern Association of Colleges and Schools Commission on Colleges (SACSCOC) to award associate, bachelor's, and master's degrees. For additional program-specific accreditations, visit: https://www.ecpi.edu/accreditation
